HIS BIG BROTHER

Young Terry Harmon's studying is interrupted one afternoon by some very curious sounds coming from his big brother's bedroom. Always in search of knowledge, Terry decided to investigate.

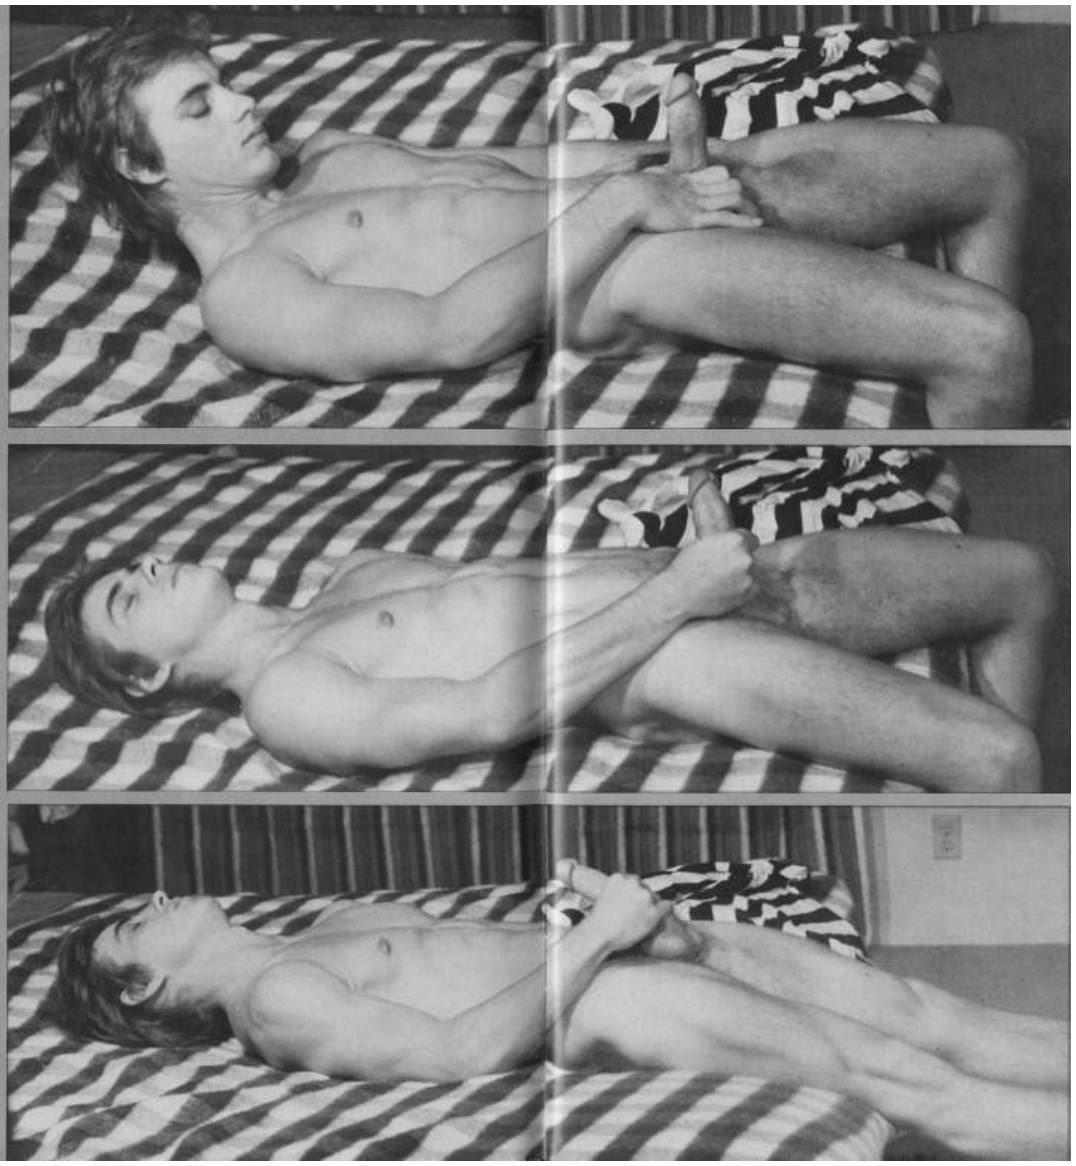
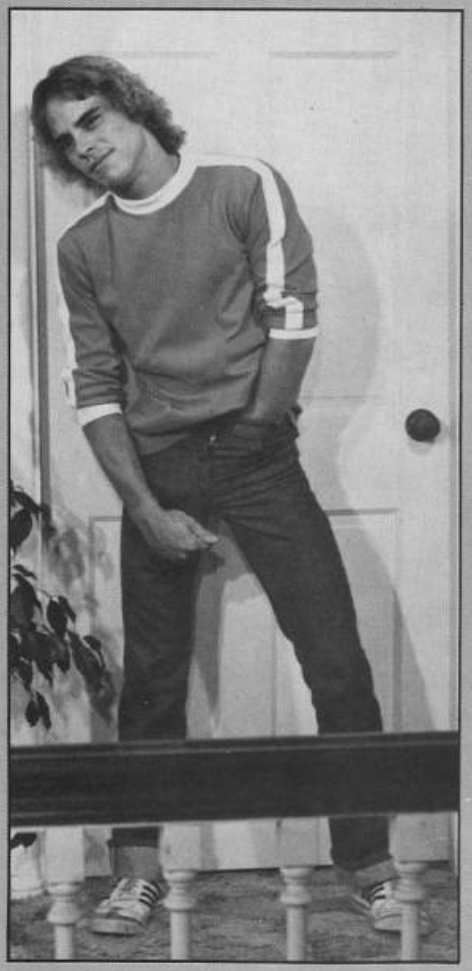
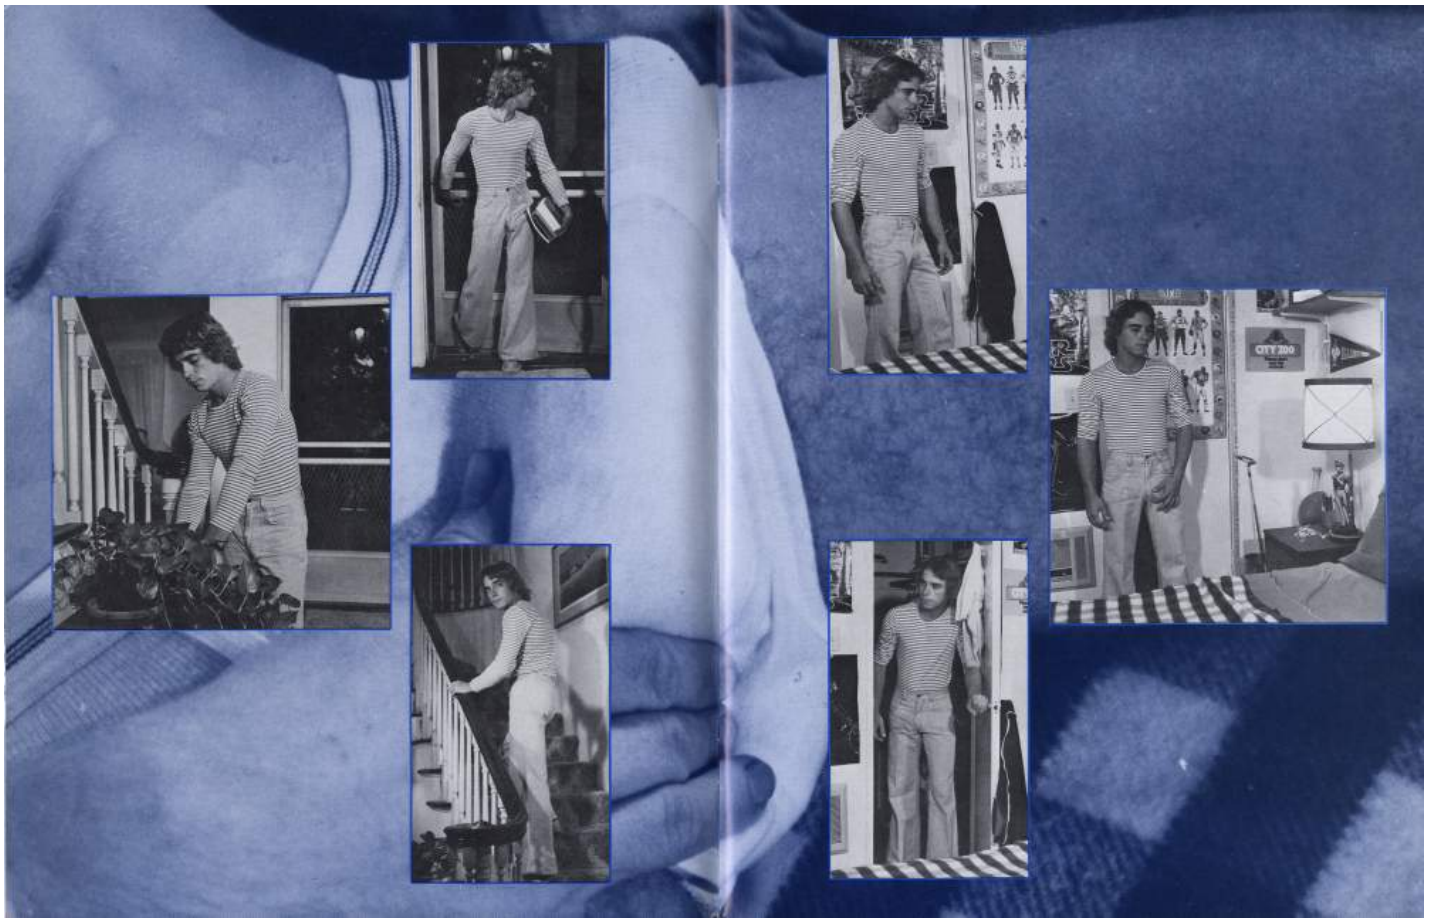
BRAGG

Spying on brother Les through the cracked door, Terry's curiosity is rewarded with quite an eyeful.

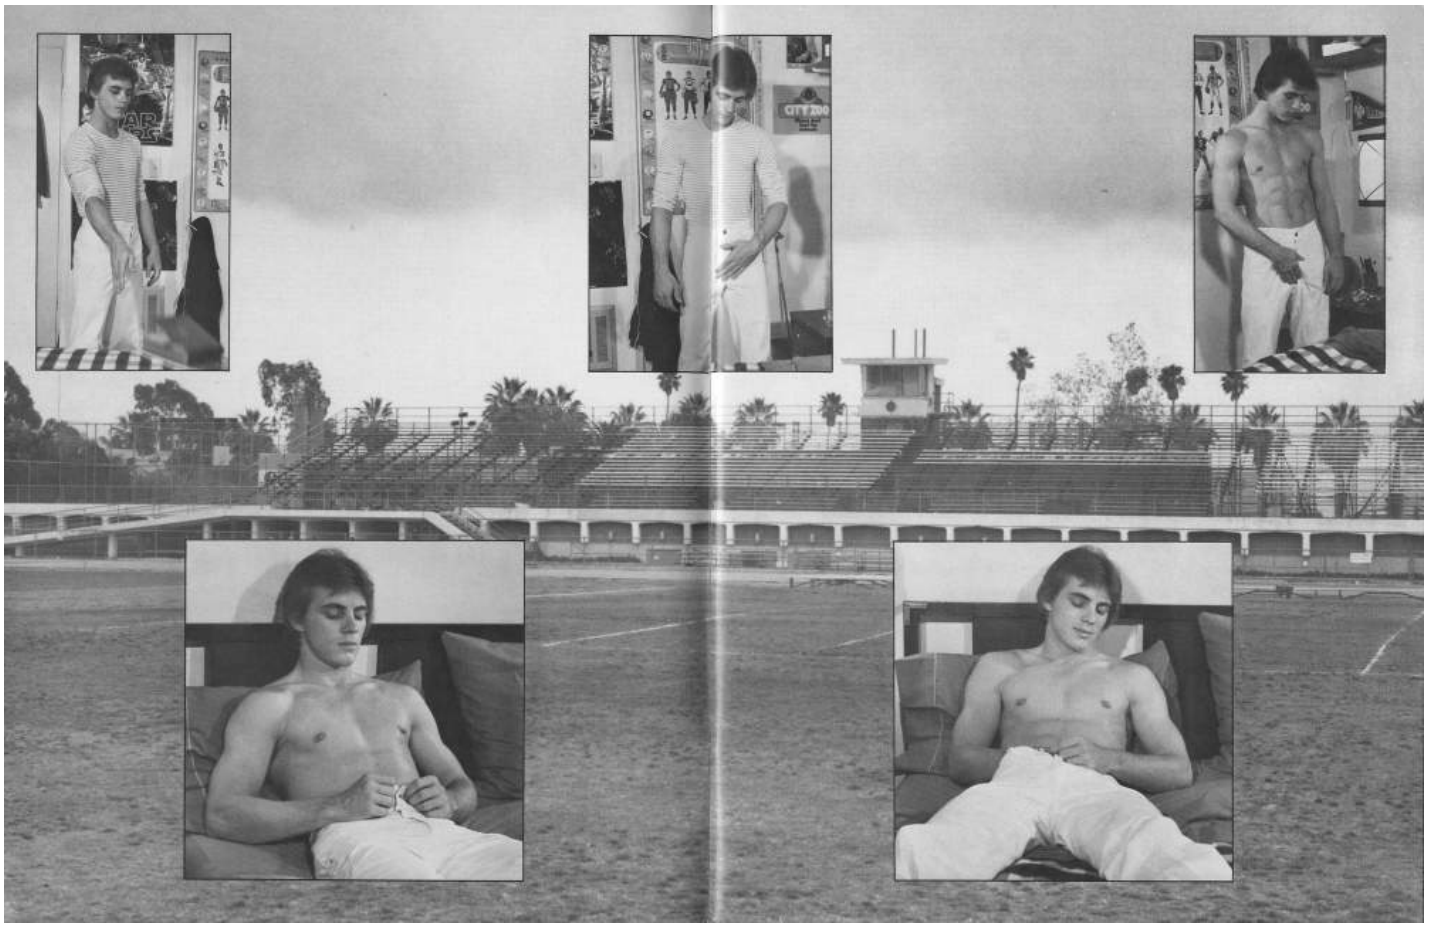


Which produces a hard situation for little Terry — and inspires a decision to explore the situation further.





CITY ZOO



Having judiciously hidden in Les' closet, Terry is in the perfect position to catch every nuance of Les' hot after-school diversion.
